# COMMERCIAL PROJECT

# SOHO MALL

SOHO  
MALL

"In Soho Mall, we focused our efforts on coordinating the interior design, as well as executing the electrical and fire fighting systems."

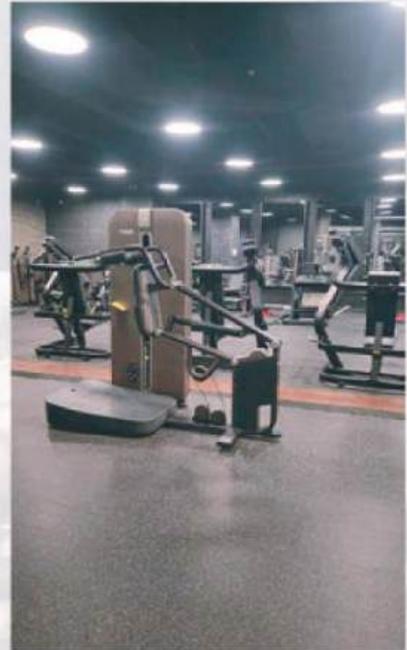

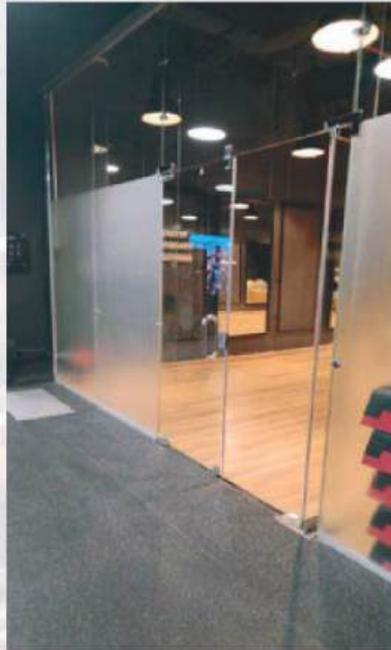

"In this project we involve our interior design works for various companies, showcasing examples of our finishing and highlighting the craftsmanship and attention to detail in project."

# GYM

## FINISHES WORKS

"In the gym area, we designed an environment that combines durability and beauty, using materials that support high performance and durability.

In addition to the finishing works, we installed efficient ventilation systems to ensure fresh air flow and improve the quality of the environment. The distribution and finishes are designed to enhance the user experience, creating an attractive and stimulating space for all levels of fitness."

"In the gym area, as you can see in our work details, we place special emphasis on the specifics of fitness spaces, ensuring high-quality materials, insulation, ventilation, and lighting systems.

Our meticulous attention to detail and precision in execution have a positive impact on the quality of the experience and performance in the space, creating an inspiring and comfortable environment for all fitness levels."

# RESIDENTIAL PROJECT

# VILLAGE

EXTERIOR & LANDSCAPING

# EXTERIOR

"Our exterior finishing works focus on durability and aesthetic appeal, using weather-resistant materials that withstand diverse conditions while maintaining a polished look. We prioritize meticulous craftsmanship and sustainable materials to enhance the building's appearance and longevity, creating a strong, lasting impression."

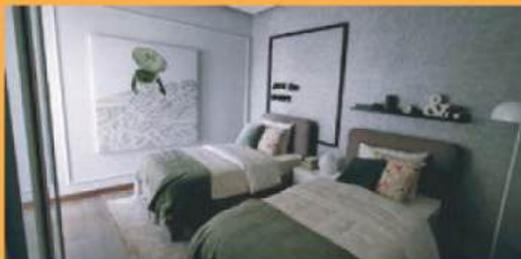

# LANDSCAPING

"Our landscaping services transform outdoor spaces into inviting, functional environments that harmonize with the surrounding architecture. By blending natural elements with carefully selected plants and sustainable design practices, we create landscapes that are not only visually appealing but also enhance the overall ambiance and usability of the area."

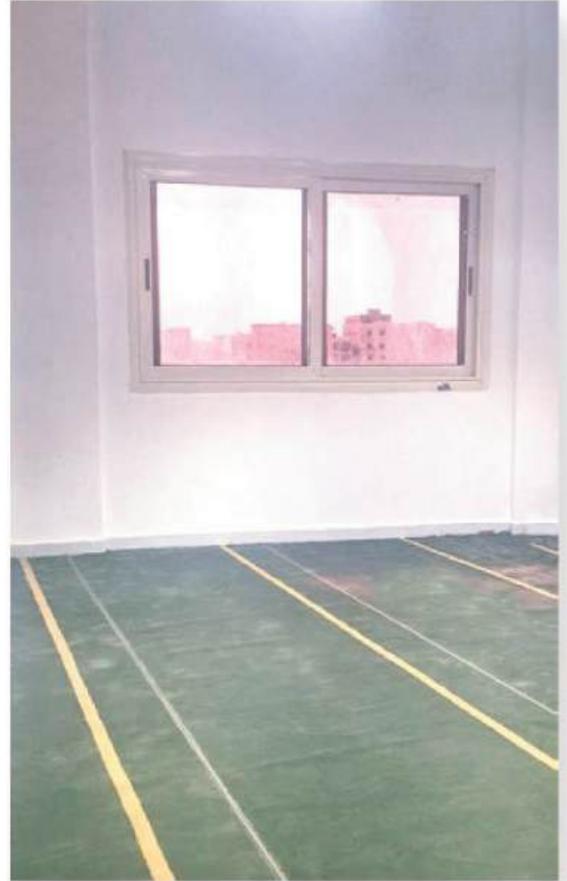

# INTERIOR

"**HOM** interior finishing works combine precision and style to create refined, comfortable spaces tailored to each client's vision. From high-quality materials to carefully selected color schemes and textures, we focus on every detail to ensure a seamless, elegant look that enhances the atmosphere and functionality of the interiors."

# INDUSTRIAL PROJECT

"In the industrial area, we implemented bumpers and shutter doors to enhance safety and accessibility, and used eco-friendly paints to improve indoor air quality. The work also included installing stair railings for added safety and using the finest materials for bathroom finishes to ensure durability and high performance.

Our focus is on creating a design that offers high durability and efficiency in the work environment."

# CLOTHES SHOP PROJECT

"HOM interior finishing works combine precision and style to create refined, comfortable spaces tailored to each client's vision. From high-quality materials to carefully selected color schemes and textures, we focus on every detail to ensure a seamless, elegant look that enhances the atmosphere and functionality of the interiors."

# RESTRUNT & BREAK AREA

"In the break area, we focused on comfort and relaxation by using calming colors and comfortable furniture to create a welcoming atmosphere that encourages rest and rejuvenation, enhancing productivity.

We also used high-quality materials for the finishes, implemented precise plumbing work for the bathrooms and washrooms, and added a water fountain to the garden, bringing a beautiful and refreshing touch to the outdoor space, creating a complete relaxation environment."
